

Business Insights

Overall Attrition:

Out of 1,470 employees, 237 employees have left the organization, resulting in an overall attrition rate of 16.12%.

Department-wise Attrition:

Sales has the highest attrition rate at 20.63%, followed by Human Resources at 19.05%, while Research & Development has a lower rate of 13.84%.

Business Travel:

Employees who travel frequently have the highest attrition rate (24.91%), compared with 14.96% for employees who travel rarely and only 8% for non-travel employees.

Age-wise Attrition:

Employees under 25 have the highest attrition rate at 39.18%. The 25-34 age group also shows relatively high attrition at 20.22%, while attrition is around 10% for the 35-54 age groups.

Education Field:

Human Resources has the highest attrition rate (25.93%), followed by Technical Degree (24.24%) and Marketing (22.01%). However, the HR education-field group is small, with only 27 employees, so this rate should be interpreted cautiously.

Distance From Home:

Employees living 16+ km from the workplace have the highest attrition rate (20.67%), compared with 16.11% for those living 6-15 km away and 13.77% for those living within 1-5 km.
